Have you Examined your Silo?

Merwin Teachers Elected.

If the Hoops are Loose, our Self **Adjusting Spring Lugs will** Keep them Tight.

These self adjusting spring Lugs take the trouble out of the stave silo, they keep the silo from caving in, and when your silo is empty they keep it tight, and when it is full they expand and take the pressure off your hoops.

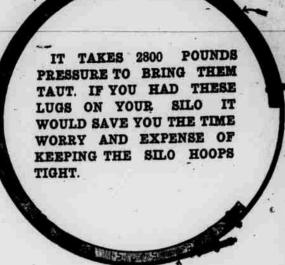

We have a complete stock of Silo Fixtures: Hoops, Cables, Anchors, Lugs, Staples, Clear Fir Staves, and Door Fixtures.

Make your Silo storm proof and permenent and do it now before the storm hits it. It will save you time and expense. We are selling the

Dickey Jug Tight Tile Silo and the
